

## LeadTech LT800 Product Specifications:

<b>Product Name:</b>	<b>LT 800 printer</b>
Printing Performance :	1-3 lines(7X5matrix) 1-4 lines(5X5matrix) maximum speed=450m/min@5X5
Font matrix :	5X5, 7X5, 9x7, 12X9, 16X11, 19X14, 24X17
Character Height:	1-15mm, depending on the font
Printing Distance :	2mm to 30 mm Best : 10mm
Inkjet character :	English, Arabic numbers, bar code, serial number,automatic date, usedefined characters, special logo, 2D bar code (Date Matrix, QR Code)
I/O connection:	Ethernet, USB, R485
Memory space :	100 messages
Industrial protection :	Ip65
Nozzle :	60 microns
Umbilical length :	Super soft, length 3m
Printing direction :	360° all-round printing
Cartridge volume :	Ink (500ml) Make-up (750ml)
Temperature/Humidity range :	0-45°C 0-95% relative humidity, non-condensing
Power :	AC100-240V ; 50/60Hz ; 60VA
Net weight :	17KG
Dimension :	397 X 314 X 454 mm
